BRADSTREET'S VERMONT TRADE REPORT.

Notwithstanding the unpleasant weather during the past week the reports received indicate that the general trend of retail trade is favorable. The country stores are evidently satisfied with business prospects as they are buying freely and bills are paid with a reasonable degree of promptness. Some coal has been received in the state since the settlement of the strike and it is expected that a sufficient supply for immediate needs will soon be available. Farm produce is bringing good prices and as labor is well employed both in business centers and country districts there is a disposition to buy freely. The prospects are favorable for the lumber trade and preparations are being made to do an extensive business.

Burlington reports the mills running full time and other manufacturing concerns are busy. The large plant being built for manufacturing photo supplies is of a substantial character and is nearly enclosed. The wholesale trade is of usual proportions and collections satisfactory. The retail stores are well patronized. In Wincooski the large textile plant is constantly increasing its operations. The screen factory is building a warehouse and is now employing a large force. The plant at Essex Junction for the manufacture of brick has been much improved by the addition of modern machinery and it is taxed to its utmost to supply the demands. Montpelier reports trade good; the concerns engaged in the machinery business are very busy and the stone sheds are doing as much work as usual at this time of the year. In Northfield the granite business is active; the slate quarries are doing but little. A large new brick block is nearly ready for occupancy and this block together with another which was built about a year ago adds much to the appearance of the place. Business both in the granite sheds and in the stones is good at Barre. There is reported from Bennington a fair demand for manufactured goods and collections are good. Trade in general here is of usual volume. Hardwick reports that a considerable number of men are idle owing to the completion of a large contract, otherwise business conditions are as usual. Retail trade in Brattleboro is fair, manufacturing interests well employed, collections fair. West Pawlet reports that everything in roofing slate line is very active, retail trade and collections good. In Rindford the furniture factories are very well employed; retail trade good, collections only fair. There is a good demand for labor at St. Johnsbury and the workmen are receiving good wages. Retail trade about the average, collections good. Wells River reports business both in manufacturing and retail lines good, collections are prompt.

To Cure A Cold in One Day.
Take Laxative Bromo-Quinine Tablets. All druggists refund the money if it fails to cure. W. E. Grove's signature is on each box. 25c.

Senator Emery, of Orange county, has introduced an elections bill which aims to clean up our state politics by defining and limiting the purposes for which a candidate for office may spend money. The purpose of the bill is good. But can't the same result be arrived at by an easier and more effective way by simply compelling every candidate to tell how much money he has spent and what he has spent it for? It is publicity and not the restrictions that will keep the expenditures within legitimate bounds.—Brattleboro Phoenix.

FOR A BAD COLD.
If you have a bad cold you need a good reliable medicine like Chamberlain's Cough Remedy to loosen and relieve it and to allay the irritation and inflammation of the throat and lungs. For sale by H. C. Pierce, B. U. Wells, D. W. Hildreth, C. Wheeler, I. Stephenson.

If the house doesn't intend to pass the senate bill for plurality election of representatives it should draft and pass a better one. The original senate bill was a good one, but conservatism got mixed up with the machinery and that august body determined to insist on a majority on the first ballot, at any rate. There is no occasion for compromise in this matter. Election should be either by majority or plurality. Sufficient evils have sprung up under the long use of the majority plan to make its wisdom appear doubtful.—Montpelier Argus.

JUST FOR FUN.

The countryman in the city has been the butt of countless stories, but this one, which a writer in the *Congregationalist* tells at the expense of a wealthy young Britisher visiting Canada, matches the best of them.

The young man, who was "learning the ropes," was one day dispatched in haste from the timber lot, where the men were getting out logs for a building, to the barn for a cant hook. He had not the slightest inkling as to what a cant hook might be, but, to avoid being laughed at for ignorance, determined to go to the barn without question, hoping to see something that might answer the description suggested by the name. After a long absence he was seen returning, leading "Old Mooley," the hornless cow.

"Here," he said, as he came up to the astonished men, "this is the only thing I saw at the barn that ought to hook and can't."

Grandpa—Willie, why do you study grammar? Willie—So I can laugh when people make mistakes.

A THANKSGIVING DINNER.
Heavy eating is usually the first cause of indigestion. Repeated attacks inflame the mucous membranes lining the stomach, expose the nerves of the stomach, producing a swelling after eating, heartburn, headache, sour risings, and finally catarrh of the stomach. Kodol relieves the inflammation, protects the nerves and cures the catarrh. Kodol cures indigestion, dyspepsia, all stomach troubles by cleansing and sweetening the glands of the stomach. H. C. Pierce.

"I am going up in the Adirondacks shooting with a party of automobilists." "Well, shoot all you can."

Important to Mothers.
Examine carefully every bottle of CASTORIA, a safe and sure remedy for infants and children, and see that it

These famous pills do not gripe, but move the bowels gently and easily, cleansing the liver. Their tonic effect gives strength to the glands, preventing a return of the disorder. H. C. Pierce.

Mrs. Hatterson—How are you getting along with your servants? Mrs. Catterson—First rate. They have n't complained about me for a week.

ONE MINUTE COUGH CURE
Is the only harmless cough cure that gives quick relief. Cures Coughs, Colds, Croup, Bronchitis, Whooping Cough, Pneumonia, Asthma, La Grippe, and all Throat, Chest and Lung troubles. "I got soaked by rain," says Gertrude E. Fenner, Mundie, Ind., "and contracted a severe cold and cough. I failed rapidly; lost 48 lbs. My druggist recommended One Minute Cough Cure. The first bottle brought relief; several others I used. I am back to my old weight, 145 lbs. One Minute Cough Cure cures the phlegm, relieves the croup at once, draws out inflammation, cures croup. An ideal remedy for children. H. C. Pierce.

"Don't let me interrupt you," said the man with the agent's sample case. "I won't," said the man at the desk, busily writing away.

CURED OF PILES AFTER 40 YEARS.
Mr. C. Haney, of Geneva, Ohio, had the piles for forty years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. H. C. Pierce.

Mamma (to a friend who is lunching with her)—I don't know why it is, but I always eat more when we have company than when we're alone. Tommy (helping himself to third piece of cake)—I know why it is—'cause we have better things to eat.

Things We Like Best

Often Disagree With Us

Because we overeat of them. Indigestion follows. But there's a way to escape such consequences. A dose of a good digestant like Kodol will relieve you at once. Your stomach is simply too weak to digest what you eat. That's all indigestion is. Kodol digests the food without the stomach's aid. Thus the stomach rests while the body is strengthened by wholesome food. Dieting is unnecessary. Kodol digests any kind of good food. Strengthens and invigorates.

Kodol Makes Rich Red Blood.
